

# Best conditions for your new career

We love to see people apply for a job or training position in Hessen.

Needless to say, every country has its own type of written application, its own system for recognising academic and vocational qualifications, and its own form of employment and training contracts. We've provided the following tips to make you aware of some German peculiarities. Hessen is equally attractive for prospective and current students, teachers and researchers, and young people interested in academic or vocational education. That's why we'd like to present the German education and school system and tell you more about the universities and higher education institutions in Hessen.
