

Meet and Greet: Regular Meet-Up for International Professionals

Once a month, our regular meet-up for international professionals and other interested people takes place in one of Frankfurt's many typical apple wine bars. A good opportunity to get to know like-minded people or people from Hesse and an easy way to exchange ideas and network. Everyone who is interested is warmly invited.

Our tip

We warmly invite you to our monthly **regular meet-up**, where we can exchange ideas in a relaxed atmosphere, regardless of the topic. This gives you the opportunity to get to know other people from the region who are also new, and to practice your German.
