Working in Hessen: More than just a job

With its huge variety of sectors and companies, an international focus and reliable and family-friendly working conditions, Hessen offers strong foundations to give your family and career a new home.

Workers in understaffed professions

Workers in understaffed professions

This is where you'll find the best employment opportunities! Professionals from Germany and abroad can find particularly good job prospects in high-demand industries.

Childcare

Childcare

Choose the best option for you and your children! Allow plenty of time to find the right childcare service.

In-demand professions

In-demand professions

Hessen already has a shortage of skilled workers in some of its sectors, professions and regions, and its economy will also need qualified professionals in the future.
